

FROM THE PRINCIPAL'S DESK—TINA COUMBE

ISSUE #28 THURSDAY 12TH SEPTEMBER 2019

Hi everyone,

I hope you have all had a great week. I just wanted to revisit the curriculum day all of the staff attended two weeks ago. We had an amazing two days at the National Education Summit. We attended 12 workshops over the two days that covered how students use their behaviour to communicate, how to help students regulate their emotions, an amazing workshop being run by Microsoft and their learning delivery specialist and much more. This simply blew my mind!

There was also a huge trade show that gave us all the opportunity to try things out that we had only heard about. We had the chance to speak to lots of organisations that support schools.

I am not sure if people are aware but every single staff member volunteered to give up their Saturday to attend this conference. Several comments were made to me from various organisations attached to the conference how wonderful it was to see a whole staff so committed to their students.

I hope you all have a great weekend.

Tina xx

Grade 5/6 Urban Camp

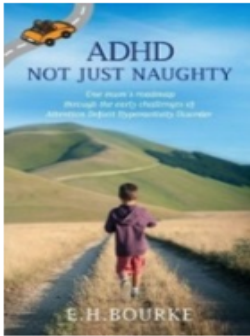

Sketch by Ashton Lyddy

On Wednesday the 5/6s left for Urban Camp, we stayed for 2 nights. We went to the MCG, Arts Centre, Melbourne Zoo and MSAC, we also went ice skating. All the 5/6s had a \$25 limit that we could spend at the Queen Victoria Market. Everyone enjoyed the all you can eat pizza and gelato. We all had a great time but we were all extremely tired and happy to be home.

ADHD--Not Just Naughty

One mum's roadmap through the early challenges of Attention Deficit Hyperactivity Disorder.

ADHD--*Not Just Naughty* is an uplifting guide for parents and care-givers of children diagnosed with Attention Deficit Hyperactivity Disorder. (ADHD) The main symptoms are hyperactivity, impulsivity and inattention.

Problem issues may include lack of focus, unfinished tasks, constantly interrupting, difficulty sitting still, trouble waiting their turn, and fidgeting. Children are often unfairly labelled as 'just naughty'.

This book offers practical parenting strategies, intertwined with real-life incidents, with a dash of humour thrown in. Issues such as self-esteem, social skills, schooling, discipline and controlling anger are explored, with a strong focus on emotional well-being of both parent and child.

It also comes with a message of hope, that children with ADHD are not *just naughty* and that diagnosis of ADHD can be a new beginning to a better relationship.

This beautiful book is written by a local author whose children attended Crib Point Primary School. If you are interested in ordering a copy of her book please see Rebecca in the office.
