

FROM THE PRINCIPAL'S DESK—TINA COUMBE ISSUE #1 THURSDAY 6TH OF FEBRUARY 2020

Hi everyone,

What an exciting week it has been! It has been lovely to see our students working so hard and engaging with their curriculum. Our specialist program is in full swing and our students are loving going to Art, Physical Education, STEM and Music is starting tomorrow.

We are getting our junior playground repainted over the weekend which we are looking forward to. Over the break we had a number of concrete projects completed and I hope this makes life much easier with prams and little ones.

An urgent reminder

Can we please ask that any asthma action plans or other medication plans that your child requires, please be handed in to the office ASAP with the required medication.

I hope you all have a lovely weekend

Tina xxx

Any child who is interested in learning the guitar/ ukulele can pick a form from the office, get their parents to fill it out, and return it to the school. Lessons are conducted during school hours- (lessons are \$20.00 for 1/2 hour) and are held every Thursday. Once a student has mastered 10 songs, they will be in line to go busking for 1 hour at Bittern market (All donations go to the student!)
