

Hi everyone,

What a fantastic week! It has just been wonderful having all our gorgeous students back and hearing them play outside. We really appreciate the support you have all been giving us by staying in your car and not gathering in crowds around the entrances at drop off and pick up. This has made life much easier. It's so great to see that students have adapted to hand sanitising so quickly and it has become a part of our normal day.

We have an additional cleaner coming in during the day and cleaning the classrooms at recess and lunchtime.

There are a number of events scheduled for this term and we will send home a calendar early next week so you can see when they are on. To join these please use the meeting ID and password below.

Our first assembly will be on Monday via zoom at 2:45pm. To watch our assembly, please use the Zoom meeting ID and password below.

In supporting the Department of Education priorities, our focus for this term will be:

1. supporting students' mental health and wellbeing
2. identifying those who need help catching up and extending those who have progressed
3. preparing for successful transitions.

We have almost finished our STEM and Music room transformation. Please keep an eye on our Facebook page for photos.

Have a wonderful weekend and stay safe. Tina XXX
