

FROM THE PRINCIPAL'S DESK—TINA COUMBE ISSUE #18 THURSDAY 19TH OF NOVEMBER 2020

Hi everyone, what a stunning couple of days! I have been so lucky to hear so many students reading me their incredible writing and showing me their work.

I would like to thank Mr Weyne for applying for a number of grants that has meant we have been able to heavily subsidize our swimming program. We have been able to contribute nearly \$5000 to this programs to reduce the cost for families.

Don't forget to keep checking COMPASS as we are still using this as our main form of communication. We are also posting our newsletter on there every week so it is now both in hard and electronic copy.

We have had the pleasure of meeting our new preps for 2021. This has been a great transition program and Rosemary went out and also saw each child at kinder or day care. We are running small groups on site so that our new students get use to the school environment.

Have a wonderful weekend everyone. Tina xxx
