

FROM THE PRINCIPAL'S DESK—TINA COUMBE ISSUE #19 THURSDAY 26TH OF NOVEMBER 2020

I hope you have had a great week. We have certainly had some spectacular weather.

We were eagerly awaiting the new department of Education Operations Guide to arrive and it came in last night.

There are a number of exciting changes for us:

- Parents are now able to come back on site as of Monday. We ask that you still socially distance and please do not gather in large groups. We still ask that you remain outside of the classrooms. **We know a lot of your children have developed a large amount of independence by walking to you outside of the grounds and we would love to encourage that as much as possible and help your little ones continue with this independence.**
- We are thrilled to be able to have parents attend Graduation. There will be limits on this due to the space. Stay tuned to hear more about this.
- We will be able to have our transitions on site with larger groups now and we are looking forward to having all of our preps for 2021 meeting next week.
- We will continue to run our assemblies on Zoom for the rest of the year due to space capacity in the hall.
- We are busy organising the end of the year as well as getting organised for the beginning of next year. I am hoping to be able to send out a Term 1 2021 calendar by the end of the year with a number of dates on it.

Have a great weekend.

Throughout November the two 3/4 grades (3/4E and 3/4H) thought we could make a difference. We participated in a program called “Reverse Advent Calendar” by MSFIN (Mums Supporting Families In Need). We made a hamper by asking each student to donate an item to give to a family in need. We made 2 complete hampers to donate to help families in need. This year has been very hard on some families and I just think this is a nice thing we could do. So on behalf of the two classes we hope this helps.

From Crib Point Primary School and thank you for giving us a chance to help.
