

FROM THE PRINCIPAL'S DESK— TINA COUMBE

ISSUE #3 THURSDAY 18TH OF FEBRUARY 2021

Hi everyone,

Well what a week it has been! We are so grateful for the support we have had this week. Not that we ever want to see another lockdown, just so you know, the teachers used this time to get organised and prepare work in case this ever happens again.

We would like to thank Sharyn (prep education support) and her partner for the amazing work they have been doing on our veggie patches. They are looking amazing and ready for planting.

We are aiming to have our Leadership Badge ceremony on Monday at 2.45pm, further details will follow tomorrow. Have a great weekend.

Tina xx

When there's an argument in the playground and it's not the students!

Perseverance students were not surprised when two koalas were having a disagreement during playtime.

Did you know there is no collective noun for the koala? This is because they spend most of their time alone.

We thought we could call these two an Argument of Koalas!

PERSEVERANCE NEWS

The students and staff at Perseverance PS on French Island have joined with other remote schools around Victoria to participate in online science lessons. They are delivered via Webex by Alissa Van Soest at the Discovery Science and Technology Centre in Bendigo. Thursday 4th February was our first of three weekly sessions on light and sound. It was titled 'Rainbows' and we enjoyed doing experiments that focused on the refraction of light and the leeching of colours.
