## PERSEVERANCE NEWS

For PE this week we practised golf on our oval. The clubs are designed for primary aged children making them easier to hit. We liked the yellow and orange balls the best!

On Monday 15th of March, the I sea I care Ambassadors went on a dolphin swim. The first place we went to was bird island. There were so many different birds it was so cool to see. Once we got in the water we got to see all the different kinds of fish it was really cool. Then we went to the seal swim we got really close to the seals there was a really cute baby seal, but they really stink and then a big seal jumped in and they made weird sounds. Unfortunately we only got to see one dolphin at the very end of the day, we didn't get to swim with them, but it was so much fun! We love being a part of I sea I care!

### HANDBALL

CHAMPIONSHIPS

Whether your child calls it Handball, Downball or 4-Square - it's the game that they all know and love.

Handball, also known as Downball and 4-Square, is every child's favourite sport. The sound of every recess and lunchtime bell signifies another opportunity to compete with friends.

We wanted to give children a chance to prove themselves on the big stage - so we are excited to introduce the Handball Championships.
